The Seekonk Technical Review Committee is a staff level committee comprised of town departments and other agencies responsible for reviewing and commenting on applications before the Planning Board or making such other determinations and recommendations as may be referred to it by the Board of Selectmen, Zoning Board of Appeals or other Town bodies. The meeting is posted and conducted as a public meeting and applicants may appear on a voluntary basis. Public comment is not taken by the TRC but written comments submitted in advance to the Town Planner on an application are considered.
